

MEDIA = VIRUS

THE MANIPULATION AND FEAR-INDUCED MSM REPORTING IS CONTINUING IT'S VERBAL FEAR SPREADING UNABATED - They should know better

MSM should report the balanced truths and not exclusively their own agenda. Media reports in a certain way because these publications belong to owners who conform to Globalistic & PC thinking and force this down our throats. Hereby the third edition for February 2021. So much to see, so much to expose. MSM has lost it's touch with reality and truth. They need to get back to base. Let's get some of the reality back in focus but unfortunately MSM will wipe it under the table labelling it as nonsense. Perhaps it's the reason they disabled article comments a while ago - people were becoming too critical.

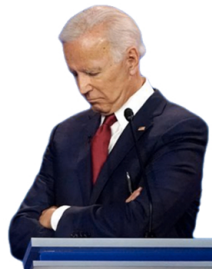

QUOTE: It's not what you hear, it's how you listen to it. MSM is a joke and so clearly biased.

This is a published article where lawyers spelled United as Unites. The D and S are next to each other on the keyboard. This is a tragedy and worth publishing for public interest.

Now please watch here: <https://www.youtube.com/watch?v=iVAqDuT4D0Q> as uploaded by ABC News. Go to 4:00. Biden mentioned that all purchased vaccines are enough for 300 Americans **twice**. Not a single article about his blunder anywhere. Imagine Mr. Trump had said this during a live read!

Let's not even mention the daily spelling mistakes found in News24 & co articles.

This might be trivial, but it does sum up the childish MSM behaviour towards people they don't personally like. MSM decides who we should like and who not.

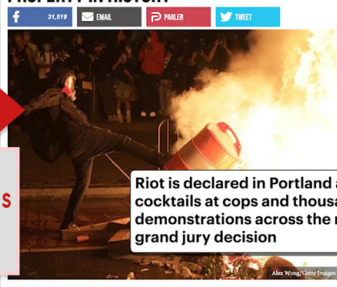

Joke of the day - but actually sad

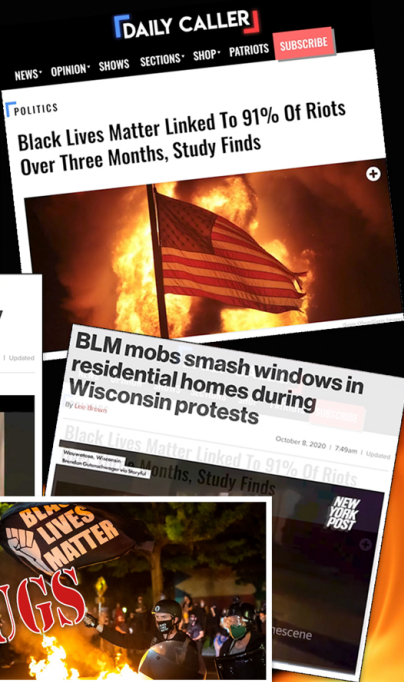

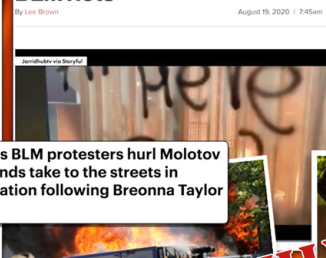

While we're at it:
Why not also award the Pulitzer Prize to all MSM for their reporting "no favour" accuracy
